IT Strategic Plan

(2017-2022)

In fall 2016, the Technology Advisory Council (TAC) began to develop an overall strategic plan for Information Technology for the University of Montevallo (UM). The plan began with the acknowledgement that UM technology had been serviced by an outsourced group (Ellucian) for 18 years, and that the operation was mostly labor and overhead with little, if any, attention paid to capital funding. Therefore, much of what is proposed is remediation of problems created by neglect or lack of knowledge, with an eye to future sustainability. So, with a new IT group on campus, Information Services and Technology (IS&T), and a recently published and adopted University strategic plan (2015-2020), it is critical for the university to build a long-range strategy related to Information Technology. This plan was developed and informed by the underlying foundation of five significant bodies of work:

- Faculty Technology Surveys
- Ellucian Technology Strategic Plan
- Ellucian Comprehensive Assessment
- CEATH Strategic Planning Report
- University of Montevallo Strategic Plan

This plan recognizes the importance and value that technology plays in achieving the university mission which,

"is to provide to students from throughout the state an affordable, geographically accessible, 'small college' public higher educational experience of high quality, with a strong emphasis on undergraduate liberal studies and with professional programs supported by a broad base of arts and sciences, designed for their intellectual and personal growth in the pursuit of meaningful employment and responsible, informed citizenship."

The plan acknowledges the unique position that technology can have in producing a high quality liberal arts education—by not only creating an integrative environment, but also connecting the campus community to the rest of the world. In that spirit, this plan seeks to ensure technology assists in fulfilling the vision of that education:

Our vision is to offer academically capable students from all sociodemographic backgrounds an affordable, life-enriching "honors college" experience stressing community service and global awareness, all within an atmosphere of national historic beauty and a tradition of innovative cultural expression. Our vision for graduate students builds on this undergraduate foundation, using traditional and innovative instructional methods to foster growth in specialized skills and knowledge required by practicing educators, counselors, speech-language clinicians, scholars in the humanities, and other professional leaders, within a nurturing environment steeped in the unique "Montevallo experience."

The Information Technology Strategic Plan seeks to connect the ideas of global awareness, traditional and innovative teaching methods, foster skill growth and nurture students through the following goals and

objectives, in partnership between the TAC, campus community and Information Services and Technology.

IT PLAN MISSION

To ensure that Information Services and Technology will continue the relevant, successful, and meaningful integration of technology into the University's mission by working to further academic excellence, student engagement and success, and partnerships and outreach. This will be accomplished through the following five major goals.

Infrastructure

Goal 1: Design, implement and maintain infrastructure capable of supporting a "high quality" liberal arts program including traditional and innovative instruction, campus life, residence life and administrative functions by:

Obj#	Statement	Responsible Party	Year Implementation
1a.	Designing and upgrading campus fiber optic network to 10G transmission speeds and replacing oldest fragile multimode fiber with single mode fiber by 2019.	IS&T Operations, supported by TAC	2019
1b.	Developing a capacity plan for server, storage and networking for 5 years, evaluating the latest technologies.	IS&T Operations	2018
1c.	Expanding campus outdoor wireless coverage over 5 years.	IS&T Operations	2020
1d.	Creating a unit plan and support budget that addresses both replacement and changing technology	IS&T, supported by TAC, Faculty Senate, Staff Senate, SGA	2019
le.	Devise plan to upgrade the library's integrated library system (ILS). Software review, cloud or server based.	IS&T, Library	2020
1f.	Establish security technology solutions (ex. Intrusion prevention system (IPS), password management, asset tracking).	IS&T	2018

CEATH: Infrastructure was the most commonly identified challenge from the comprehensive assessment and formed the most important theme to be acted on.

UM Strategic Plan:

Academic Excellence

 $Obj.\ 5B-E stablish\ a\ long-term\ technology\ support\ budget\ to\ fund\ needed\ infrastructure\ and\ technology\ upgrades.$

• Successfully implement a budget for technology refresh for computers, software, LCD projectors, Smart Boards and emerging technology identified in the academic technology plan.

Student Engagement and Success

Obj. 10A – Upgrade technology in campus housing.

Obj. 11D – Investigate network infrastructure to provide sufficient bandwidth for live streaming to improve the fan experience.

Teaching and Learning

Goal 2: Increase the effective use of technology in the classroom (including online) to enhance student learning and engagement, while providing appropriate training in the use of teaching and learning technology tools for both faculty and students.

Obj #	Statement	Responsible Party	Year Implementation
2a.	Develop and implement a	Malone Center and	2020
	plan to integrate	TAC's Classroom	
	appropriate online	Prioritization	
	teaching tools into	Committee, supported	
	75% of courses	by IS&T, Deans'	
	(traditional classroom,	Council, Faculty Senate	
	hybrid, and online)		
	through the learning		
	management		
	system (Canvas).		
2b.	Add video capture,	IS&T Academic	2021
	search, annotation, and	Support, Malone Center,	
	delivery capability and	Deans' Council, Faculty	
	integrate with the learning	Senate	
	management system as an		
	instructional tool.		
2c.	Upgrade classrooms	TAC's Classroom	2021
	across the campus to	Prioritization	
	standard multimedia	Committee, Malone	
	capability and increase the	Center, Deans' Council,	
	number of premium	Faculty Senate,	
	classrooms to a total of 15	supported by IS&T	
	across campus.	Academic Support	

0.1	D 1 111	A 1 ' C	2020
2d.	Develop and deliver a	Academic Success	2020
	training program to all	Center, Student Success,	
	freshmen and transfer	IS&T Academic	
	students on the use of	Support	
	course technology tools.		
2e.	Implement education and	Malone Center,	2020
	resource plan to allow the	supported by IS&T	
	Malone Center for	Academic Support,	
	Excellence in Teaching to	TAC	
	work with colleges to		
	implement strategies for		
	innovative technology		
	integration in order to		
	increase research, expand		
	innovative teaching		
	pedagogies, and improve		
	the use of instructional		
	technology tools in all		
	courses.		
2f.	Develop a plan to promote	Library, IS&T	2019
Δ1.	the role of the library as	Academic Support,	2019
	an Intellectual Commons	11	
		Malone Center, TAC	
	by assisting in the		
	evaluation and		
	recommendation of		
	software adoption, digital		
	media integration, and		
	other relevant		
	technologies, and by		
	educating the campus		
	community on the role of		
_	the library.		
2g.	Support faculty in	TAC's Web Oversight	2018
	developing and editing	Committee, Faculty	
	their own web pages.	Senate	
2h.	Electronic portfolios –	Deans' Council	2018
	evaluate need and systems		
	available.		
2i.	Update library's	Library, IS&T	2019
	stationary setups (labs).		
	Ex. Screen, speakers,		
	printing.		
2j.	Increase Digital Media	Library, IS&T	2019
· ·	Lab (library) support.	•	

CEATH: Expand On-line and Hybrid Utilization (p.14), Clarify the Library's Focus (p.15), Fix the Web Site (p.13)

UM Strategic Plan:

Academic Excellence

Obj. 1C – Consider supporting faculty in developing and editing their own web pages.

Obj. 3B – Expand undergraduate and graduate offerings through online/hybrid courses or online degrees.

Goal 5 – Increase technology support, equipment and infrastructure to a level which fully meets the needs of faculty and students enrolled in traditional and online/hybrid courses at both the graduate and undergraduate levels.

Obj. 5A – Develop a University-wide academic technology plan to support classroom and online/hybrid teaching pedagogies.

- Develop a technology plan with input from each department about discipline specific needs.
- Establish within each college an up-to-date computer classroom with specialized software and on-campus technical support.

Daily Operations

Goal 3: Improve inefficiencies in systems (including Banner) to streamline daily operations for UM staff, adding new tools as appropriate, while providing basic training in Banner and other essential technology tools.

Obj #	Statement	Responsible Party	Year Implementation
3a.	Implement electronic award letter system (provides links to UM sites, pictures, etc.) using a 3 rd party vender (ex. Campus Logic) that interfaces with Banner.	IS&T Business Support Services, Financial Aid	2018
3b.	Implement a document imaging system (ex. Paper Flow) outside of Banner if necessary (due to costs).	IS&T with input from representatives from all administrative (including Registrar's Office and Financial Aid Office) and academic departments	2020
3c.	Implement the use of a one card system.	Business Affairs, IS&T Business Support Services	2019
3d.	Implement a faculty advising/tenure & promotion system (replacing current FAR).	Academic Affairs, IS&T	2018
3e.	Centralized print management.	IS&T with input from representatives from all administrative and academic departments	2019
3f.	Hold two Banner training sessions per semester. Topics for	IS&T Business Support Services, Registrar's Office	2018

	both current and new		
2	staff.	TO O TO A 1 1	2020
3g.	Evaluate, select, and	IS&T, Academic	2020
	implement degree	Advising, Support and	
	auditing/evaluation	Intervention Committee	
	system (intertwined w/	(AASIC), various	
	advising, completion,	offices	
	and possibly course		
21.	demand predictions).	ICOT Desciones Comment	2022
3h.	Add all modules of	IS&T Business Support	2022
	Banner upgrade to	Services	
	Banner 9 by 2022 at a		
3i.	pace of 25% a year.	Ducinass Affairs IS&T	2019
51.	Implement International	Business Affairs, IS&T	2019
	Student Tracking and		
3j.	Tax Prep system. Implement an Event,	Business Affairs, IS&T	2020
ગુ.	Calendar and Space	Dusiness Attaits, IS&1	2020
	_		
3k.	Management System. Develop policies	IS&T, TAC, Student	2018
JK.	regarding email. Create	Life	2016
	digest email for	Life	
	Faculty/Staff and		
	Broadcast to regulate		
	internal spam. Separate		
	user lists. Devise plan to		
	educate faculty and staff		
	on new policies.		
31.	Create policies and	TAC's Web Oversight	2018
31.	processes regarding web	Committee	2010
	page updates. Devise	Committee	
	plan to educate faculty		
	and staff on new		
	policies.		
3m.	Create policies regarding	TAC, IS&T	2019
	software licensing (&		
	version consistency) and		
	management across		
	campus. Devise plan to		
	educate faculty and staff		
	on new policies.		
3n.	Create project intake	TAC, IS&T	2018
	prioritization process.	,	
3o.	Embed applications	TAC's Web Oversight	2021
	within the University	Committee,	
	web site (ex. on-line	Advancement and	
	auctions (Foundation),	Alumni Affairs,	
	data parents fax in).	Foundation	
3p.	Increase/improve system	IS&T, various	2019
<u> </u>	integrations with Banner	administrative offices	

	(&/or other campus	(including	
	systems). For example:	Advancement and	
	Maxient, Raiser's Edge,	Alumni Affairs)	
	online giving system,		
	health services, student		
	conduct, student life.		
3q.	Evaluate and explore	Malone Center, IS&T	2018
	unused Canvas		
	capabilities.		
3r.	Evaluate alumni	IS&T, Advancement	2019
	software systems (ex.	and Alumni Affairs	
	iModual) that allow		
	alumni to connect with		
	one another, etc.		
3s.	Implement Contract	Business Affairs, IS&T	2019
	Management System.		
3t.	Design and implement	Data Governance	2018
	campus-wide Data	Steering Committee,	
	Governance Policy.	Data Governance Task	
	•	Force	

CEATH: Provide Additional Related Systems (p.10 - 11), Provide Needed Training (p.12), Strengthen Capabilities around Banner (p.8 - 10), Define Effective Policies (p.12), Fix the Website (p.13), Address Process Inefficiencies (p.14)

UM Strategic Plan:

Partnership and Outreach

Goal 18 – Optimize, expand, and enhance marketing efforts.

Recruiting, Retention, and Campus Life

Goal 4: Expand the online presence and technology tools on the UM website for campus organizations that enhance student life (e.g. academic and non-academic clubs, UM athletics, performances and arts events, and other student-driven campus events), for the purpose of both retaining current students, and attracting future students.

Obj#	Statement	Responsible Party	Year Implementation
4a.	Develop plan and policy	University Relations,	2019
	for institutional use of	Enrollment	
	social media.	Management, SGA,	
		Executive Cabinet,	
		TAC's Social Media	
		Subcommittee,	
		Academic Affairs,	
		Athletics	

4b.	Increase regular use of social media by 20% per year from 2018 – 2022.	Academic and administrative units	2019
4c.	Standardize campus- wide digital signage – local control, organizational control.	University Relations, Enrollment Management, SGA, Executive Cabinet, TAC's Social Media Subcommittee, Academic Affairs, Athletics	2022
4d.	Facilities Scheduling: Research and decide on room reservation software (ex. EMS, AdAstra, R25, compatible with Campus Labs Engage). Include unified community events and calendar information and reservations.	Student Life, IS&T, Business Affairs, Physical Plant, Registrar's Office	2019
4e.	Implement mobile registration.	IS&T, supported by Admissions, Registrar's Office	2019
4f.	CRM (Customer Relationship Management) / Recruit system in place for graduate applications for all applicable colleges.	IS&T, supported by Deans' Council, Graduate Council	2018
4g.	Continue to enhance marketing efforts through Recruit "Constant Contact."	IS&T, Enrollment Management/Student Affairs	2019
4h.	Enhance current Early Alert system/processes to reach students early (possibly prior to four- week period).	Academic Success Center, Academic Advising, Support and Intervention Committee (AASIC), Academic Affairs, Student Success, IS&T IRPA, Faculty Senate	2019
4i.	Review and recommend tutor management system.	Academic Success Center, IS&T	2020
4j.	Integrate OrgSync with UM web site to allow autopush of OrgSync updates to UM website.	IS&T, supported by Student Life	2017

4k.	Utilize Campus Labs' (software) Engage feature which allows UM to brand our new .org link.	IS&T, supported by Student Life	2018
41.	Utilize Campus Labs' (software) Engage feature Corq (Mobile app) which allows students to "find and discover events in your area." Basic feature of Engage so no added cost.	IS&T, supported by Student Life	2018
4m.	Utilize Campus Labs' Engage feature Event Check In (Mobile app) which allows students to use their unique QR code to check in at UM events.	IS&T, supported by Student Life	2018
4n.	Update campus safety and security features. For example: upgrade existing and install additional security camera, upgrade card swipe system.	Enrollment Management/Student Affairs, IS&T	2020
40.	Evaluate, select, implement accommodation software (ex. SAM – Student Accommodation Manager).	Disability Support Services, IS&T	2019
4p.	Increase event live streaming (ex. Athletics).	IS&T, Athletics, Mass Communication	2018

CEATH: Provide Additional Related Systems (p.10 - 11 and figure 7), Define Effective Policies (p.12), Fix the Web Site (p.13)

UM Strategic Plan:

Student Engagement and Success

Goal 9 – Engage incoming undergraduate students.

Obj. 10C – Invest in updated safety and security features.

- Upgrade existing and install additional security cameras.
- Upgrade card swipe system.
- Install sprinkler systems in residence halls.

Obj. 11B – Involve more students in activities outside the classroom.

Obj. 11D – Increase attendance at intercollegiate athletic events.

• Investigate network infrastructure to provide sufficient bandwidth for live streaming to improve the fan experience.

Partnerships and Outreach

Goal 18 – Optimize, expand, and enhance marketing efforts.

Goal 5:			
Obj#	Statement	Responsible Party	Year Implementation
5a.	Review IT Strategic Plan for relevance.	TAC	Annually -End of AY
5b.	Review Unit Plan submissions for IT requests/assistance.	IS&T IRPA	Annually -End of AY
5c.	Review all measurements. Were we successful? Did we do what we said we'd do?	TAC	Annually -End of AY
5d.	Review communications delivered campus-wide. To: Faculty Senate, Staff Senate, Deans' Council, Dept. Chairs' Council, President's Cabinet.	TAC	Annually -End of AY
5e.	Organize and review data received campuswide. For example: Malone Center's Faculty Technology Survey (conducted every other year), SolarWindshelpdesk Satisfaction Survey, Faculty Senate annual survey (Tech/IT items).	IS&T IRPA, TAC, Malone Center	Annually -End of AY
5f.	Review all IT policies. Determine if additional IT policies are needed.	TAC	Annually -End of AY

CEATH: Define Effective Policies (p.12), Address Process Inefficiencies (p.14), Expand On-line and Hybrid Utilization (p.14)

UM Strategic Plan:

Partnerships and Outreach

 $\label{eq:obj.17B-Identify} Obj.~17B-Identify~and~implement~more~effective~ways~to~share~news~and~solicit~input~on~campus~issues~and~challenges.$
