\*Although specific testing requirements per licensing boards cannot be determined at this time, program curriculum meet all 50 states and the District of Columbia requirements due to accreditation through the Council on the Accreditation of Counseling and Education Related Programs.

<sup>+</sup>According to the National Counselor Licensure Endorsement Process, any counselor licensed at the highest level of licensure for independent practice available in his or her state may obtain licensure in any other state or territory of the United States if all of the following criteria are met:

1. The licensee has engaged in ethical practice, with no disciplinary sanctions, for at least 5 years from the date of application for licensure endorsement.
2. The licensee has possessed the highest level of counselor licensure for independent practice for at least 3 years from the date of application for licensure endorsement.
3. The licensee has completed a jurisprudence or equivalent exam if required by the state regulatory body.
4. The licensee complies with ONE of the following:
  - a. Meets all academic, exam and postgraduate supervised experience standards as adopted by the state counseling licensure board.
  - b. Holds the National Certified Counselor (NCC) credential, in good standing, as issued by the National Board for Certified Counselors (NBCC).
  - c. Holds a graduate-level degree from a program accredited by the Council for Accreditation of Counseling & Related Educational Programs (CACREP).
